Product Information

ATA CLEAN

Ensures that the irrigation system remains in a good condition. Ata-Clean prevents and removes calcium, iron phosphate and algae sediments, which guarantees an optimum irrigation. This organic cleansing means it is environmentally friendly and harmless to the plant.

SPECIFICATIONS

Brand Name	ATA
cultivation style	soil, coco, hydro
type of plant nutrition	additive
Suitable for	inside
N-Value	0
P-Value	18
K-Value	6

Technical Information

Dosage

0.1 ml per litre of nutrient solution.

Grow tips

Especially for use in tap water. Add to every nutrition preventively. Prepare the basic nutrition and correct the pH (5.5-6.5), if necessary. Leave the basic nutrition alone for a while, then add ATA Clean.
