

The **Ata** products are designed for the grower who wants to grow easily and swiftly, but still want a good end result. Return for a good price-quality ratio.

## Terra Max

Carefully balanced, complete flowering nutrition that will provide the plant with all the necessary fertilizers during the flowering period. Terra Max has a positive effect on the flowering willingness of your plants. It provides beautifully compact flowers, which will increase significantly in size. Terra Max is directly soluble in water and easily absorbable by the plant. This makes the result quickly noticeable.

### Application

Can be used daily throughout the flowering stage for the irrigation of the crop.

### Growing tip

Ideal for airy, lime-rich (potting) composts.

### Quality guaranteed

The stimulators and liquid nutrients of Atami are packed and sealed lighttight under the twistable cap, so the quality remains guaranteed
