

Giant Garden Tray Black

PRODUCT CODE: G81B

Product Information

The Giant Tray has proved popular when used by private and commercial gardeners alike as a large irrigation table for keeping a multitude of potted plants watered. The tray can be filled with grit or capillary matting if preferred.

Its sheer size means that by simply filling the tray with a depth of water, a large number of plants can be watered in minimal time. The internal capacity is 25 Litres. A series of shallow horizontal ridges feature on the internal base of the tray which can aid drainage. The tray will fit perfectly on most greenhouse staging.

Made from recycled polypropylene, this item is available in Budget Black only.
