

SolarSystem® 275 Product Specifications

| | | | | | |
|--------------------|--------------------------|-----------------------|------------------|---------------------|-------------------|
| Efficiency | 2.23 umol/j | Heat Output - BTU | 640 | LED Lifetime Rating | 50,000+ |
| Power Consumption | 0 - 200 W | Operating Temperature | 0 - 107° F | Warranty | 5 Years |
| Light Output - PPF | 439 | Power Factor | > 0.95 | Thermal Management | Active |
| Spectrum Control | Digital/Programmable | Dimensions | 8.5" X 8.5" X 4" | Dimming | 2 Channel 0%-100% |
| Auto Voltage | 90 - 277 V | Weight | 7 LBS | Cord Length | 6 Feet |
| Maximum Current | 1.65A @ 120V, .8A @ 240V | Coverage Area - Bloom | 3 X 3 | Data Connection | RJ11 |
| Frequency | 50 - 60 Hz | Coverage Area - Veg | Up to 5 X 5 | Certifications | UL & CE |
