

Bio-Grow®

What is Bio-Grow®?

Bio-Grow® is a liquid growth fertilizer which can be applied to most types of soil and substrate mixtures. Bio-Grow® activates the bacterial flora in the substrate thanks to its basis of 100% Dutch organic sugar beet extract, commonly known as vinasse. Vinasse is syrup that contains sugar. The natural sugars and potassium in Bio-Grow® are the guarantee for an ample harvest with very sweet fruit.

How to use Bio-Grow®

Bio-Grow® is a complete fertilizer for the growing period. Start with Bio-Grow® as soon as the first leaves appear and the plant has a height of 10 to 15cm. Keep using Bio-Grow® till the end of the fruit production. Follow our grow schedule for the best results.
